**WINTER  
WEEK**  
21-27 JANUARY 2019

## What is Winterweek?

This adventurous series of events is hopefully the most fun and best opportunity to get to know as many as you possibly can, before you go back to class and get boring again. During this week you get to be the unknowing newcomers who are free to ask as many stupid questions as you can, before it is too late. It will be super fun, for you as well, don't worry about it. We, Intrömästeriet, are here to welcome you to our university and to show you how to get the highest grade in what we call "Studentlivet".

MON

**Sightseeing and party at Tenoren!**

Take a tour with us and get to know your surroundings! As soon as we get back to Borlänge, our native-Borlänge, Oskar, is going to show us all around the small but not huge city (village). Be sure to save your energy, for the promising party at Tenoren, where you will get a rewarding free pizza slice!

TUE

**Baking and eating cinnamon roll dough at Tenoren!**

The Swedish cinnamon roll is not to be underestimated! At Tenoren you will get to master the art of baking them with your bare hands!

Your knowledge about Sweden might be tested so bring you A-game. See *Kanelbulle* in the wordlist.

WED

**Party at Locus!**

Locus is not the same as Tenoren. Hope you were listening carefully during the sightseeing! It is still pretty close to campus though. Come and get ur ass kicked in ping pong by your almighty rulers (see IM in wordlist).

*Note: Locus is a place where no alcohol can be sold! Not a problem if you take a visit at Systembolaget, (see wordlist).*

THU

**Play in the snow at our Winter Wonderland!**

Did you come to Sweden for studies or the snow? You are going to want to put on some warm clothes for this one! Or you could just hang out at Tenoren and eat som "Kladdkaka"!

Our Winter Wonderland, or "Tenorparken" as we call it, is located next to Tenoren. Don't forget your mittens!

FRI

**Celebrate this special day with a sittning!**

*Sittning* is a special tradition stumbled upon by almost every Swedish student. So now that you are one of us, you can't miss it! There will be food of course and, no, you don't have to bring your own songbooks. The theme for the night is: Birthday Party!

*Note: This event requires tickets which will be sold on Monday and Tuesday (21-22 January) for a few riches. If you've missed your opportunity to buy tickets, there might still be one more expensive chance.*

SAT

**Playtime at Tenoren!**

Tenoren, again, will host some entertaining competitions with some fun activities. Ever heard of beeping or caps?

Bring your best reversed stripper skills and sunglasses and come join us at Tenoren for some fun games.

SUN

**Boardgames at Tenoren!**

Hopefully you'll be tired by now. But fear not, we will take care of you with some boardgames and popcorn!

Yes, ofcourse this is one of the most important activities. How else would you conclude a week such as this one?
